Health Care Reform: Disasterous for the Unborn!

No matter how you slice the pie, Abortion is everywhere in the upcoming Health Care Reform! It is all hands on deck for all pro-life groups as we work feverishly to expose the blood bath hidden inside the 2000 page reform.

Focus on the Family, National Right to Life, Human Life of Washington, Priests for Life, Rush Limbaugh, and the list goes on and on with groups, churches, schools and individuals who realize the hidden atrocity in this new plan promoted and promised by president Obama.

As always, our only option is to spread the word and make calls to our congressmen and women. The toll free number for the capitol switchboard in WashingtonDC is

1-866-220-0044.

Let your congressmen know your position!

Obama Administration OKs First Taxpayer-Funded Embryonic Stem Cell

Washington, DC (LifeNews.com) -- The Obama administration has authorized the first study using embryonic stem cells paid for at taxpayer expense. Earlier this year, President Barack Obama issued an executive order overturning President Bush's limits preventing taxpayers from being forced to pay for the destruction of human life. Because embryonic stem cells can only be obtained by destroying human life, Bush put limits in place directing taxpayer dollars to adult stem cell research. That science has already proven to help patients facing more than 100 diseases and adverse medical conditions.

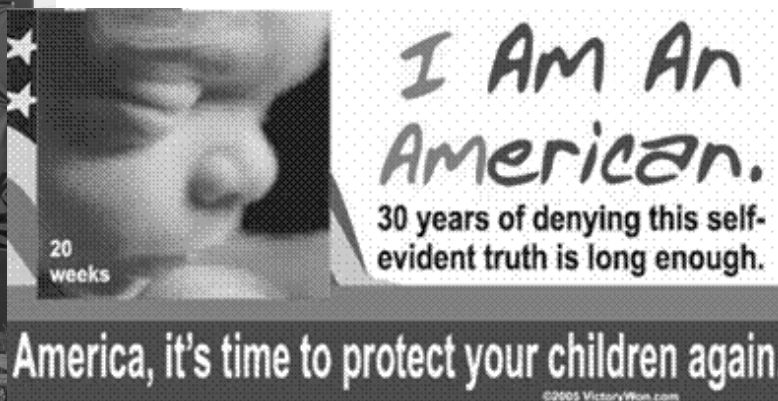

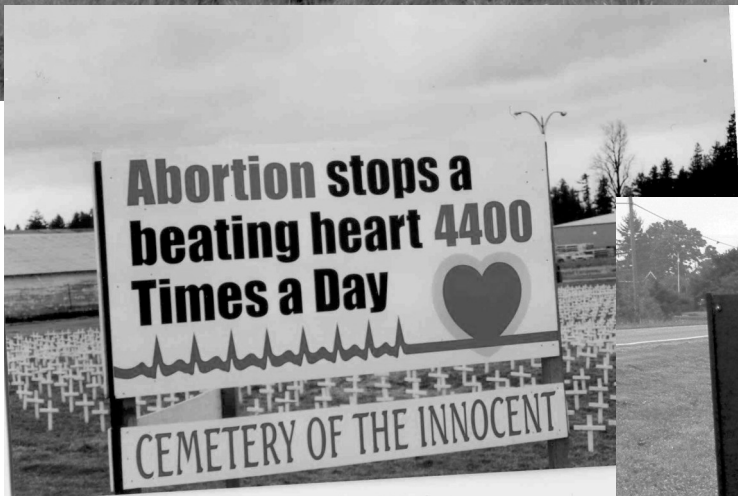

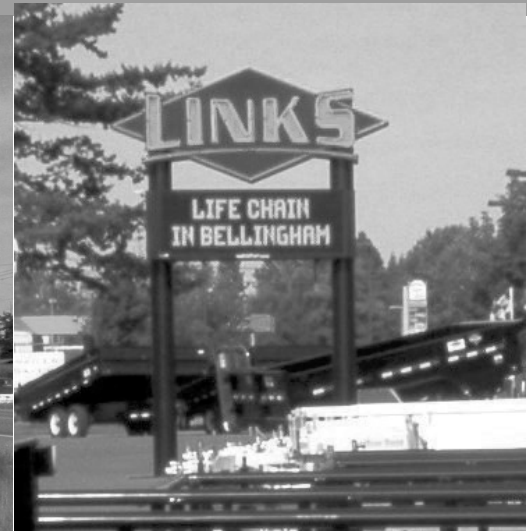

The National Institutes of Health, following Obama's order, approved 13 embryonic stem cell lines for use by researchers conducting studies funded with federal funds

The lines NIH approved are in use by researchers at Harvard University, in Cambridge, Massachusetts, and Rockefeller University in New York, according to a Bloomberg News report.

Schedule of Events

- We need your help on Saturday January 9th to install our "Cemetery of the Innocent". Come at 10:30 am to our new location along the Guide just past the King Tut Road. (East Side) Our billboard is already up in the field. *PIZZA AFTERWARDS...*
- Make sure your church has bulletin inserts for January the 24th. (Sanctity Sunday) They are free, and this year is more critical than others since we can only impact our fellow Americans through the church and by personal contact....changing the hearts of individuals one by one.
- Remember that January 22nd marks 37 years of legalized killing of our own unborn children! Over 50 million lives lost, with no protection whatsoever under this new administration. Pray for the condition of our country and its moral standing.

Show Your Support for Life, and the Work of Your Local Christian Crisis Pregnancy Home.

Lynden Human Life is encouraging individuals, churches, and organizations in this community to support life this January by sponsoring a **Luminary For Life** and participating in *A Light In The Darkness* on Sanctity of Human Life Sunday (January 24, 2010). For every \$1.00 luminary sponsorship, \$0.67 will directly support the "Great Expectations" Maternity Home.

Just imagine, if just 5 churches or organizations sponsored just one Luminary For Life Kit (250 count), we would light over 1,250 LUMINARIES FOR LIFE on January 24th and raise over \$1000 for the "Great Expectations" maternity home in Lynden.

If ten churches participated we could double our funds.
For additional information, or to order your Luminaries For Life today, call 1-888-399-life.

If your church is not signed up for Luminaries for Life, call our office today. We have the kits here already. All that your church has to do is pass them out on Sanctity Sunday and collect \$1 dollar for each candle as people leave church. (We will collect the one dollar donations later.)

Northwest Washington Fair a Great Success

The Northwest Washington Fair was once again A great place for us to be. We met many of our fine supporters and made an impact on lots of people who had a chance to see our fetal models and learn about our ministry. A special thank-you goes to Hannah Wade for managing our fair booth as her senior project. (Bellingham High School)

For the last number of years Barb Swinburnson has been sewing and donating flannel receiving blankets with matching burp cloths. Thank-you Barb for your amazing support. These receiving blankets are the perfect baby gift and you can get them from our office for only \$20.00! Stop in today to pick one up.....

Life-Chain Sunday

Life-Chain Sunday was a positive and impactful experience. There were close to 300 people in attendance. As always we want to thank all of you who attended this time of prayer for the future of our country. We have been holding life-chain in Bellingham since 1992 That is 17 years. The faithfulness of the pro-life community is evident and reason to believe we are making a difference right here in Whatcom County.

BULLETIN INSERTS FOR YOUR CHURCH

JANUARY 24th IS "SANCTITY SUNDAY"

Did you know?

There have been over 50 million abortions performed in the U.S. since 1973.

www.nrlc.org/abortion/facts/abortionstats.html, accessed 10-30-06.

Only 1% of abortions are done for cases of rape, and only 1/2 of one percent for incest.

www.guttmacher.org/pubs/journals/3711005.pdf, accessed 10-30-06.

Abortion is legal until the moment of birth in all 50 states as determined by Roe vs. Wade and an accompanying case, Doe vs. Bolton in 1973.

There are between one and two million couples waiting to love and care for an adopted child.

National Council for Adoption. www.ncfa-usa.org/adoptioncontent.html#facts

Your church can use these inserts on Sanctity Sunday.

They are free.

Lynden Human Life Memorial Update

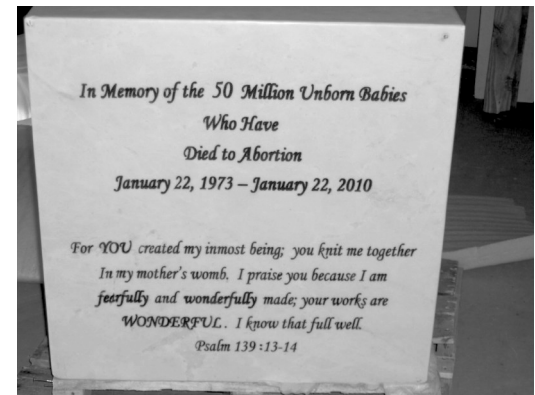

Our angel has safely arrived from overseas and we are in the process of locating a final resting place for the angel and her baby. We have had a couple of offers to set her in a cemetery outside of Lynden. The best location for this memorial would be in Lynden, since we are a pro-life affiliate based out of Lynden for the last 35 years. We want to be able to keep a watch on her and have the memorial assessable to our supporters here as well.

As soon as we secure the location we will have the statue set. We have written a letter of request to the board of directors from Monumenta Cemetery. We are waiting to hear from them.

After securing a place in a local cemetery, we will plan a memorial service to humbly remember the over 50 million unborn babies that have died to abortion.

We will keep you posted on the upcoming events

Fetal Development Classes

Lynden Human Life has an amazing classroom program designed especially for your church, school, or civic group. We are even available to come to your home Bible study or your ladies group to share our amazing presentation. Lynn Weeks offers the presentation to our Whatcom County schools and would love to bring it to your group.

The presentation can be customized to fit your time schedule. Lynn Weeks has been bringing this program to the community for over 10 years. Call Davida today to schedule your class. As always there is no cost and this opportunity will change the hearts of your students forever.

Fetal Development is not in the WA State Curriculum. So this presentation is even more impactful to our youth.

“Great Expectations” House Update

Our babies at GE are so precious! Again we marvel at the beauty of God's creation as each child we bring into our home grows and becomes such a beautiful piece of the tapestry woven over time at Great Expectations. Our youngest resident, who was born in July with an amazing life story, who at 7 months along was on her way to a late-term abortion in Seattle, is now settling in nicely after the first 3 months of her life spent going back and forth to Children's Hospital, having multiple colon surgeries. Hendrix is so precious we can only thank God for her unique story and beginning!

We have added two other single moms to our program who have older children. Sometimes we have to tweak our guidelines to accommodate new situations. We are working to support women and children who find themselves in a crisis pregnancy which usually means the greatest need is housing. Your support has made it possible to continue our ministry right here in Lynden. We have faced some uncertain times, but believe this is the time and place for us to be. Thank-you for your involvement in this local ministry that is touching lives that have no other place to go. Lives that have been saved from the clutches of abortion.

Mission Statement

"Great Expectations"

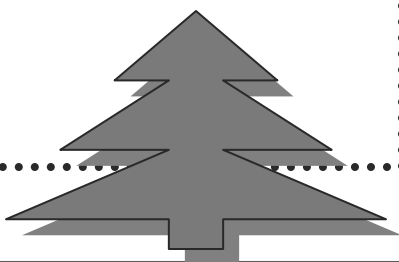

provides

Love, Understanding, & a Place to Live

at a crucial time in a
young woman's life.

**"It is our goal to minister to
the immediate needs of each
young woman that comes to
our home, along with
equipping her with the tools
she needs to lead a
productive, independent
life."**

*For I know the plans I have for you de-
clared the Lord, plans to prosper you and
not to harm you, plans to give you hope and a
future." Jeremiah 29:11*

HE IS BORN

**"Today in the town of David
a savior has been born to you;
He is Christ the Lord."**

Luke 2:11

Our ministry is like unto the most wellknown story in history. A single mom facing the most incredible pregnancy ever to be! And Mary too felt the crisis of not having a place for her Holy child to be born. We can only imagine the anticipation Joseph and Mary felt as they stepped forward in faith to deliver a Saviour to our World.
