Proudly Pro-Life

And do not become weary of doing good, for in due season you will reap a reward if you do not give up Galatians 6:9

“Great Expectations” & New Way Ministries

Well, the dust has settled, and “Great Expectations” is now completely under the care of Christian Hope Association/New Way Ministries. We are so happy with the smooth transition between “GE” and New Way.

As we continue the work of restoring the rights of the unborn, please be in prayer for those of us who are on the front lines of this work.

Attention: Opening at “GE”

for women facing a crisis pregnancy!

Cemetery of Innocent Update

Once again we thank all our supporters for their help in installing and removing the crosses along the Guide Meridian.

We had lots of motorists stop and take photos of the display. We recognize the impact of the field of crosses, and are aware of many people who have given consideration to the topic of abortion.

The crosses are installed in January and removed in May.

WE REMOVED THE CROSSES in 35

MINUTES this time. Amazing.....

Come see us at the Northwest Washington Fair: Aug 12-16

Don't forget to support your local maternity home by getting pro-life supplies from our booth at the fair. We will be in the same spot as the last few years in the vending area between the carnival and the 4-h buildings. We have adorable onesies with pro-life slogans that say:

- * **Perfectly and Wonderfully Made**
- * **Thanks Mom, I got born**
- * **Got Life**
- * **Miracle Baby**

All onesies are solid white & come in sizes 0-3 mo., 6 -9 mo. & 12 mo.
The text is pink/blue/or green

WOULD YOU LIKE TO TAKE A SHIFT @ THE FAIR? SHIFTS ARE AVAILABLE FRIDAY EVENING AND ALL DAY SATURDAY.

WE WILL GIVE YOU A FREE WORKERS PASS TO GET INTO THE FAIR. CALL MARLAE AT 354-1188 TO SCHEDULE A SHIFT.

BREAKING NEWS! Texas passes pro-life bill that will restrict abortion after 20 weeks.

Texas bill one of many state battles to restrict abortion

Despite Wendy Davis' dramatic filibuster delaying Texas' abortion bill, the Republican-dominated Texas legislature has supported the measure which will ban most abortions for women more than 20 weeks pregnant. Just this year, 17 states passed new measures impacting abortion. It is called the Pre-Born Pain Act. This bill will force Dr's to have admitting rights to local hospitals and to upgrade their abortion facilities to be more like hospitals.

Thank you to our legislators who have been heroes for LIFE during the entirety of the 83rd Legislative Session. Thank you to all of our supporters who stood strong for life, whether here in Austin or around the world.

Texas continues to prove that it will always #Stand4Life!
