LYNDEN HUMAN LIFE BOARD ATTENDS ABBY JOHNSON BANQUET:)

Abby Johnson, former Planned Parenthood director turned pro-life advocate,

On November 14th, the LHL board hosted a table of ten to dine with Abbey Johnson....We are SO impressed with her love for the unborn and for women who have suffered through abortion, like herself, and ALL THE WAYS WE CAN SUPPORT WOMEN IN CRISIS......The banquet was in Surrey BC, with 900 attendees!!!

Abby now has a family of eight children, living in Texas! She is boldy pro-life and insists we all do a better job & stand up for the innocent unborn. She reminded us that Canada has absolutely NO RESTRICTIONS ON ABORTION!!!! (How is this even possible:) FyI: the hit movie "unplanned" is the Abby Johnson true story.......

Our table of ten. Dan & Marlae Nieuwsma, Jessica Stuart, Martin & Juanita Verbree, Adria & Bill Cummins, Lynn Hardaway and two WWU Students for Life, Molly & Raylyn. We were all so inspired!

Our vandalized billboard, corner of Guide & Badger Rds. has been replaced with new vinyl banners. We so appreciate the individuals who immediately stepped forward to contribute dollars to remake the signs. WE KNOW OUR MESSAGE IS GETTING THROUGH TO THOSE WHO DRIVE BY!
