

# Lynden Human Life

VOLUME 1, ISSUE 1

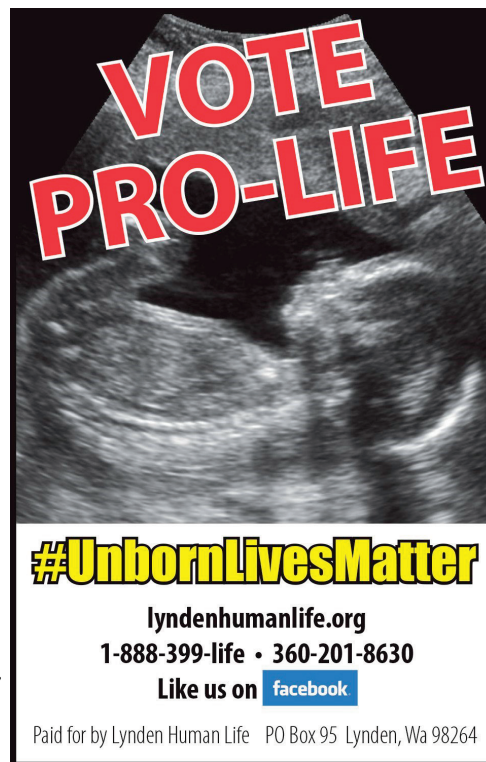

DECEMBER 2022

## *The battle rages on.....for the pre-born child*

The Supreme Court made the historic decision to repeal Roe V Wade... but things have become even more complicated!!!

While the pro-lifer decided this was good news... and is not realizing the left has gone MAD... The abortion supporters (death promoters) have mobilized and are raising unprecedented dollars... Over 3 times their normal dollars... 2.3 million in less than three months... *this* is being promoted through a series of lies and misinformation. Things YOU can do.

1. Support your local pro-life agencies: New Way Ministries, Great Expectations & the Whatcom County Pregnancy Center.
2. Join a pro-life group such as 40 days for Life, Students for Life, or Lynden Human Life
3. SPEAK UP for the unborn. Everyday, whenever possible

- *Special Points of Interest.....*
- *Washington State was the very first state in the US to legalize abortion. Referendum 20 was passed in November of 1970*

## Governor Inslee proposes New Abortion Bill for 2023

Oct. 21, 2022

Governor Inslee held a press conference at WWU to enshrine abortion service in our state. "Washington state was a pro choice state and we are going to do everything humanely possible to make sure that Washington is ALWAYS a pro choice state." (Direct quote while speaking at WWU) The proposed legislations will be part of the 2023 package going before our legislature this January. WA governor Inslee is the most radical governor in the US.

Call the office of the governor to voice your opinion 1-800-833-6384

# NW WA Fair Update

The fair this year was amazing. We again thank all our volunteers for taking a 4 hour shift. We had an appreciation party, AND we offered movie tickets to the pro-life movie “Lifemark” (starring Kirk Cameron). The movie is powerful and celebrates adoption. We are truly a pro-life family.

*If you think this  
would be a  
positive step for  
the city of Lynden,  
please help us  
make this happen*

## Lobbying Lynden to become a Sanctuary City

Efforts are underway to lobby the mayor and the city council of Lynden to become a sanctuary city. Headed up by Chase Lindsey and support from Students for Life, we are working to get the necessary approval to achieve this status. Calls can be made to city hall at 360-345-1170. You can also e-mail the city at [cityhall@lyndenwa.org](mailto:cityhall@lyndenwa.org)

### Washington State Abortion Stats for 2020

There were 99,613 reported pregnancies in 2020

There were 16,050 reported abortions in 2020

About 16% abortion rate....which is one out of 6 women aborting.  
(In the early 80's abortion was taking place at a rate of  
1 out of 4 pregnant women !!!)

Even though abortion is underreported this figures out to  
approximately 44 abortions per day in WA State

The abortion rate has been dropping each year since 2014 and  
before that a steady drop as well.

**99,613**  
pregnancies among  
Washington  
residents in 2020

**16,050**  
abortions among  
Washington  
residents in 2020

Washington's  
abortion rate  
has dropped  
every year  
since 2014.

## Mid Term Election Upset!

So what really happened to the elections in the 42nd district? *We lost it all... Simon Sefzik, Tiffany Smiley, Tawsha Dykstra Thompson, & Dan Johnson.*

The answer could be very simple... there are just more democrats than there are republicans, but, that is not always the story for the 42nd district.

There was a HUGE dis-advantage relating to the reversal of Roe-v-Wade which simply caused the left to dig in and stand up for abortion, while the conservatives/GOP decided to remain silent about their position on LIFE! The pro-life community was confused and has NEVER before stood down for the foundational issue of the pre-born. We think this strategy cost us even more and set us back even further!

January Radio Blitz. Plans are in the works to make some January radio ads... even though Roe-v-Wade is no longer constitutional, we KNOW that the party of abortions is working EXTRA hard to codify Roe, even though each state is now in charge of abortion restrictions. Please donate if you feel so inclined... Thank you!

Wishing all our  
wonderful  
pro-life  
followers a most  
blessed and  
beautiful Christmas  
season and a  
wonderful New  
Year!  
With the hope of  
protection of God's  
most perfect  
creation!

# Roe is Dead, Olympia “March for Life” now OVER

*Since the reversal of Roe-v-wade there will no longer be a rally in Olympia in mid January. A gathering at the capital is being planned later in the legislative session. Stay tuned for details.*

**We are offering these four yard signs absolutely free. The actual cost is \$13.00 each... take advantage of this great offer and stand for LIFE.**
